Press Release

First Colo GmbH successfully established

Munich, 01.01.2008 - The new fiscal year has just begun and for the young company "First Colo"; it will definitely be an exciting and successful year.

The first hurdle for the colocation provider is cleared. The LLC with the name "First Colo GmbH" is founded by the three managing directors.

Managing directors are Jerome Evans, who has established two other successful companies in the IT sector already, as well as Martin Verges, who gained longstanding professional experience with his own company in the field of Colocation, Hosting, Housing and Mustafa Günyasar, also engaged in the IT business with a thriving company. Together, the three persons function as a management triangle for the purpose of representing the First Colo GmbH in 2008. Furthermore their major task is to expand with the young company sustainably economically.

The initial hurdles have now been successfully cleared and the business is underway in the data center FRA1 – all roads are opened. The year 2008 will be an exciting and successful year!

About the First Colo GmbH

The First Colo GmbH is for more than five years on the market. Back in 2002 First Colo arose from the servernetworks GmbH; in the course of our development a huge client base regarding hosting and housing emerged in a timely manner. In 2005 the change of the company's legal status to digitallabs network GmbH proceeded. Having undergone this process, you offered game server, hosting and housing products with great success. At the end of 2007, after more than two years of thriving market presence, three company members promoted the First Colo GmbH with the aim to reposition oneself on the market. Since the year 2008, the company has own localities in Frankfurt's data center for the purpose of renting Colocation Space.
